### AGRX SERIES

KEY FEATURES

**One Light. Two Mounting systems.**  
R1 for standard Niches /R2 for Mini-Niches.

The Industry's **brightest** niche light - **1000 lumen output.** Only Available in **Multi Plus.**

The latest in **heatsink technology;** allows for **maximum LED cooling** and **longevity.**

**Retro-Fit** existing lights in **minutes** with the **All-New Quick Connect Plug.**

**Tool-Less design** allows for **simple assembly** & supports a wide range of cable sizes (5mm -12mm).

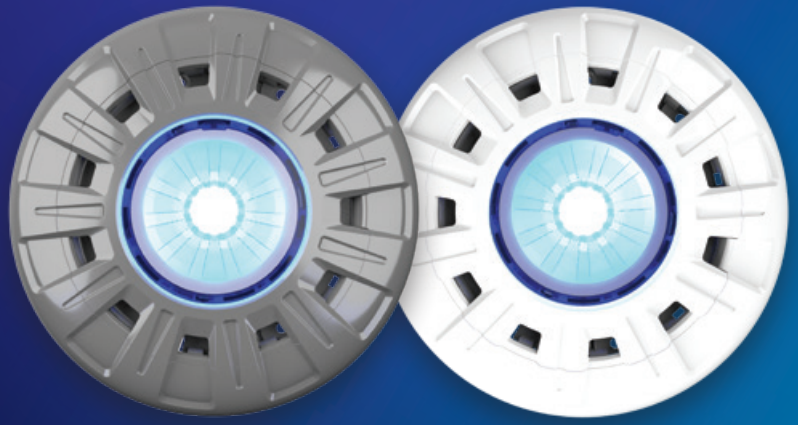

Flush design, **minimises** obtrusion into the pool and provides a **sleek, professional finish.**

Designed to suit an **extensive range** of niche lights with no unsightly adaptors, screws or exposed tiles.
